### **SCHEDULE OF THE VISIT**

On 27/7/2021 all the students and staff gathered in our college at 9.45 A.M, started by college bus to industry and reached by 10:45 A.M. By 11:00 A.M, after completion of gate check in procedures, we were allowed to enter into the industry and gathered at seminar hall of industry.

A detailed introduction of the Jocil industry was presented by the manager Mr. Sk. Johny Basha upto 1:00P.M. Then students along with the faculty were taken to Jocil canteen to have lunch and the next session was followed by the visit to working area.

Students were guided to manufacturing unit initially with raw materials production, storage, transferring of substances to production area, mixing equipment, and finally packing techniques.

Later students were allowed to observe hydrogen plant and oxygen plant. Around at 4:00 P.M. we started our return journey to college by college bus and reached to college by 4:45 P.M.

## REPORT ON INDUSTRIAL VISIT TO JOCIL

DATE: 23/12/2021

**Place of visit:** Jocil Ltd, Dokkiparru, Guntur

**Date of visit:** 21/12/2021

**No. of days:** 01

**No. of students:** 68

**Faculty co-ordinators:** Mrs. V. Geetha Rani. & Dr. G. Kiran

### OBJECTIVES OF VISIT

- Industrial visit provides opportunity for practical exposure of working areas.
- Industrial visit helps the students to interact with professional experts.
- Industrial visit improves the communication and operation skills.
- Exposure to large scale equipment through industrial visit bridges the gap between theoretical knowledge and practical learning.
- Industrial visit helps students to aware of updated technologies and enhances operation skills.

### OUTCOMES OF VISIT

- Acquire knowledge on industrial regulatory guidelines.
- Improves practical knowledge in handling different equipment.
- Practical exposure to industrial environment.

## **SCHEDULE OF THE VISIT**

On 5/1/2022 all the students along with staff gathered in our college at 09.45 A.M, started by college bus to industry and reached by 10:30 A.M. With the earlier discussion of principal with plant chief followed by the regular formalities, we were allowed to enter the industry.

All the details of the industry were briefly explained by the president Mr. D.B.Venkoji Prakash. Students were instructed to wear head cap and shoe covers and then guided to various units starting with store, change over room, production & packing of parenterals, sterilizing units, types of water production including microbiological testing area by the staff.

It was 2 P.M by the time the above areas were visited, so students were allowed to have lunch and proceed for further visit. Students were also taken to quality control and quality assurance departments where they were explained about various analytical equipment used for testing and maintenance of documents related to industry.

It took 5 & half hours to complete the visit and reached to college again by 4:30 P.M.

Respected Sir,

Sub: Request for plant visit of our Pharmacy students- Reg.

A.M.Reddy Memorial college of pharmacy was established in the year 2004, affiliated to Acharya Nagarjuna University and approved by AICTE & PCI. The courses offered by the college are B.Pharmacy, M.Pharmacy and Pharma. D.

In this regard in order to create awareness about industrial environment and impart good practical knowledge among the students of III Pharma D, we would like to visit your industry. Please consider our request and do accept our proposal.

Thanking you,

Yours sincerely,

  
Principal,

Dr. N. Ravindra

## SCHEDULE OF THE VISIT

On 9/4/2022 all the students and staff gathered in our college at 10.00 A.M, started by college bus to industry and reached by 11:00 A.M. With the earlier information by the principal to plant chief followed by the formalities, we were allowed to enter the industry.

A brief introduction of the industry was given by the president Mr. D.B.Venkoji Prakash. Students were guided to solid formulation unit starting with raw materials storage, transferring of substances to production area, mixing equipment, granulation techniques, compression of tablets, filling of capsules, evaluation and finally packing techniques.

Students were also allowed to visit quality control and quality assurance departments where they were explained about various analytical equipment used for testing and maintenance of documents related to industry. It took 5 hours to complete the visit and reached to college again by 4:30 P.M.
