(Appr. by AICTE & PCI New Delhi; Reg. by Govt. of Andhra Pradesh, Affil. to Acharya Nagarjuna University)

Mastan Reddy Nagar, Petlurivaripalem (Po.), Narasaraopet (Md.), Guntur (Dt.) – 522601, AP, India

Phone: 08647-247194, 247193, Fax: 247192, Email: principalammcp2004@gmail.com, Website: www.amreddypharmacy.co.in

3.4.2: Awards and recognitions received for extension activities from government / government-recognised bodies

Response:

Extension activities are the voluntary efforts of educational institutions, inspired by ethical excellence toward social development through various activities like enhancement of the educational standard of underprivileged groups, adult education programs, environmental awareness, ecological conservation, health awareness, healthcare and sanitation, adoption of the village for holistic development in addition to the academic commitment of the institution.

The institution imparts Professional Ethics and Human Values as part of the academics, besides that awareness is spread through social responsibility is passed on through the National Service Scheme (NSS) and its activities.

The college sensitizes the faculty and the students on institutional social responsibilities. NSS units of the institute regularly conduct camps in the nearby villages to create an insight into the societal needs in the minds of the students. This motivates the students to participate in social outreach programmes which would benefit students in nearby villages. A sample of such programmes conducted includes

- Fire safety program
- Health and Hygiene
- Road safety Programmes
- Awareness on sanitary napkins to school children
- Plantation programs

The students participated in programmes like energy conservation, environmental awareness etc. in the nearby villages. Awareness about the Anti-ragging programme was conducted in association with Police Department. Blood donation camp strengthens the sense of empathy and compassion among donors and also instils in them a sense of commitment and

ethical responsibility. A blood donation camp was organized as part of the NSS activity. Many faculty and students came forward to donate blood. Apart from the above, the significance of clean surroundings, hygiene, sanitation in the neighborhood, and garbage disposal also sensitized the community at large. All these initiatives created a holistic environment.

Awareness on sanitary napkins usage created awareness among the girl students to exercise their rights. All this leads to informed, balanced and responsible citizenship. All the faculty members and students practiced yoga on the occasion of Yoga Day celebrations. Various activities were conducted and multiple sensitive topics of social, political & economic significance were discussed to create a better understanding among students & contribute to the balanced development of their personalities. The NSS unit functions under the guidance of a Faculty NSS Programme Officer. The NSS wing of the college focuses on providing access and opportunities to underprivileged children in health and education.
