

4.1.1. Availability of Adequate infrastructure and physical facilities in the institution

Response:

A.M.Reddy Memorial College of Pharmacy is established in the year 2004 and affiliated to Acharya Nagarjuna University, Guntur. The courses/ programs offered by the institute are two undergraduate (B. Pharm and Pharm. D) and three post graduate (Pharmaceutics, Pharmacology, Pharmaceutical analysis). AMRMCP has an effective policy in place for creating and enhancing the infrastructure that facilitates effective teaching and learning process. AMRMCP has ICT enabled classrooms and well equipped laboratories as per the norms of apex bodies.

Classrooms: AMRMCP has classrooms with the measurement of 78 Sqm, 83 Sqm and 69 Sqm approximately. Each room can accommodate seventy students. The e-class rooms are equipped with ceiling- mounted LCD projectors.

Laboratories: AMRMCP has well equipped laboratories for UG&PG programs to enable students with good practical knowledge and understand the fundamentals of the theory through experiments. e - soft wares are also purchased for pharmacology and HAP lab according to the needs of the prescribed syllabus.

Seminar Halls: The seminar hall is spacious, well furnished, air conditioned and can accommodate 500 students. The hall is well equipped with a projector and audio system. The various activities are carried out in the seminar hall throughout the year.

Training and Placement: The T&P Cell involves in placements of students through various training modules.

Transport Facility: AMRMCP has transport facility for day scholars, hostlers and faculty members. Our buses cover various areas in and around Narasaraopet.

Library: AMRMCP has a Library to provide resources that enhance the knowledge of the faculty and students. It is housed in an area of 190 Sq.m with the seating capacity of hundred students. It also offers digital resources, reference books with huge number of volumes of
